GETTING OUT OF JAPAN

Dennis McEvoy, president of the American chamber of commerce in Japan, makes a good case for withdrawal of American troops from Japan in an article in the Forum magazine.

He points out that General Douglas MacArthur announced more than a year ago that the occupation objectives had been reached. Our continued occupation can serve only to create resentment. Our force isn't large enough to stop massed landings on Japanese soil and the problem is complicated by the presence of more than 20,000 American women and children.

It wouldn't be necessary to write a treaty now. We could leave behind a supervisory commission. But the time has come, as McEvoy says, to stop playing God to the Japanese.

If we need them for military reasons we ought to abandon half measures. Our present policy makes little sense from any viewpoint.

Miss Crum Says
Business Training
Should Be Varied

An article by Miss Annabel Crum, director of placement at MacMurray College, appears in the September issue of The Journal of Business Education, a magazine devoted to the interests of collegiate, public and private business schools. The title of the article is "Integrate the Cultural and Vocational."

In her evaluation of business schools and teachers, Miss Crum points out that, "In considering modern educational progress, it might seem that commercial departments of high schools and private business schools are still too narrowly vocational and those of colleges too broadly cultural." Some educators, says Miss Crum, advocate that students should develop only those skills and methods which are directly related to earning a livelihood. The result of this philosophy is that "we will train human 'machines' wholly undeveloped in personality and completely lacking in maturity." For example, "the student's want of vocabulary and need of transcription ability are appalling... and he does not care because he does not know." On the other hand, "Cultural education, no matter how broadening, is not sufficient. We cannot be acceptably practical unless we attain a merger of cultural and vocational preparation—and finally, experience."

All The Stage
Is His World

By Hal Boyle

New York—(AP)—David Ffolkes is spending his life creating something for people to look at and promptly forget.

And he's happy when they do just that. Ffolkes is a 36-year-old Englishman who has become one of Broadway's leading scenic and costume designers.

His type of work is highly important to the success of a stage play. But like most technical skills it is unappreciated by the average theatergoer. The man who buys the tickets doesn't ordinarily wonder who designed the stage sets or the clothing worn by the actors. He takes them for granted.

"And that's the way it should be," said Ffolkes. "When the curtain goes up, the audience should be conscious of the locale, but their attention should then immediately be caught up in the action of the play."

Only Means To An End
"Good scenic and costume design is only a means to an end—not the end itself. It's bad design if the audience is conscious of the setting for even one entire scene."

Ffolkes has specialized in British period design, particularly Shakespearean settings, and has won four top awards. His costumes for "Brigadoon" and Shaw's "Man and Superman" twice won him Donaldson awards—theaterdom's equivalent of the film world's "Oscars."

He recently did the scenery, costume and lighting for "Where's Charley," starring Ray Bolger. Stage costuming has its special problems.

"Everybody has a different shape—an imperfect shape," said Ffolkes. "They all have to be disguised so that on the stage they have a perfect figure for their particular role."

"The most important thing about women's clothing is that it should build up to the face—that is what you want to keep the audience interest fixed on. The face shows the emotions."

Men Actors More Fussy
He has found men actors more

difficult to costume than women. "They are more fussy," he smiled. "But the bigger the star, the easier he is to dress. If they do object too much—well, they are quickly put in their place."

A stage designer makes his drawings to 1/4 inch scale. The actual execution of the setting is done by stage carpenters and scene painters.

"You have to be an artist, an architect—and a diplomat," Ffolkes said. "But the hardest thing about the business is to get your first job."

Scene designing must pay fairly well. Ffolkes like horses and wants to own his own stable some day.

Captured At Singapore
During the war he served as a British artilleryman and was taken prisoner in the fall of Singapore. He was among 60,000 captive allied troops sent to Siam to build the infamous jungle "railway of death" that cost 20,000 lives. His own weight fell from 154 to 90 pounds—he's over six feet tall during this period.

The only artistic souvenir Ffolkes retained from his enforced adventure was the memory of a Siamese temple motif. He recently turned it into a wall paper design and sold it.

Ffolkes is currently interested in American period history, and particularly would like to do the settings for a play based in the old south.

"I should like to die in Charleston," he said.

But this design he is in no hurry to finish.

Big International
Show Will Attract
More Live Stock

Chicago—Work has begun on the 49th edition of the International Live Stock Exposition, the nation's leading agricultural event, and early reports indicate that the 1948 show should attract larger classes than in any previous International in the nearly 50 years of its history.

The Exposition, which transforms Chicago into a great focal point of the continent's live stock industry, drawing nearly half a million people from the 48 states, all Canadian provinces and foreign countries, is scheduled for November 27 through December 4 in the huge International Amphitheatre of the Chicago Stock Yards.

Expect Larger Showings
Livestock shows throughout the continent were generally larger this year, W. E. Ogilvie, manager of the show, announces, and this is a good barometer of what may be anticipated at the Chicago exposition. The management predicts entries this year will exceed the 12,500 head of animals exhibited last year.

The International is considered by stockmen and farmers as the high court among all such events, where final decisions in matters of livestock are made. An International winning is regarded as the highest award that exhibitors can attain.

Premiums for the show have been increased this year, as breed associations have volunteered more money for International classes, and the prize of the show will exceed the usual \$100,000 for the competitions of four breeds of beef cattle, 11 breeds of sheep, nine of swine and five of draft horses.

New Features Planned
The Junior Livestock Feeding Contest for boy and girl feeders of fat cattle, swine, and sheep will again assume its prominent place on the first day's program.

The 26th International Grain and Hay Show will bring crop samples from 6 Canadian provinces and most of the 48 states to a world renowned competition where the "royalty" among crop producers are crowned.

The famous International Horse Show, another leading event of its kind, will again provide top entertainment. New features are planned for this year's series of Horse Shows which are scheduled daily through the eight-day run of the Exposition.

Entries for the show close November 1 for all live stock classes except carloads of fat stock which may be made up to November 20. Grain Show entries close November tenth.

BUT THE DAY YOU WALK IN WITH A

Vows Spoken SundayAfternoon Rites
At Church Unite
Local Couple

Glowing tapers, arranged amidst palms and ferns and white flowers provided the background for the marriage of Miss Lena Mae Kinnett and Charles Henry Birdsong, which was solemnized Sunday afternoon at two o'clock at Central Christian church.

Mr. and Mrs. T. J. Kinnett, 905 South Main street, are the bride's parents. The bridegroom is the son of Mr. and Mrs. A. M. Birdsong, 401 Vandalia Road.

The Rev. Roy S. Hulan officiated at the double-ring service, performed in the presence of a large number of friends and relatives. "Always" and "Because" were sung by Miss Wanda Harrell.

Satin and Lace Gown
Given in marriage by her father, the bride was attired in a gown of white satin and lace, fashioned with a marquisette yolk, which gave an off-shoulder appearance to the lace-edged Bertha, fitted bodice and sleeves pointed at the wrists. The skirt, worn over hoops, was caught at the hemline with clusters of orange blossoms at three places, to reveal rows of matching lace.

A tiara of pearlized orange blossoms held in place the fingertip veil of illusion tulle. She carried an orchid-topped white Bible, given her by the bridegroom, and the handkerchief carried by her mother at her wedding.

Jewel tones of shimmering satin fashioned the gowns worn by the bridal attendants, Miss Gladys Davis, maid of honor, and the Misses Jeanne Deutsch and Phyllis Pennell, bridesmaids. Miss Davis, the bride's cousin, wore pale fuchsia, while the other two attendants wore aquamarine.

Attendants Carry Nosegays
Their gowns were designed with cap sleeves, V-necklines, and peplum waist. All three wore opera-length gloves of matching satin and cloches of white roses corresponding to the old-fashioned nosegays which they carried.

The men in the wedding party were also in formal attire, with Cartel Birdsong serving his brother as best man and Warren Hudson and Dick Price acting as groomsmen. Ushers were Jack McCurley, Charles Black and Benny Lane.

The flower girl was little Patty Ann Birdsong, niece of the bridegroom. She wore a floor-length gown of ruffled white organdy, adorned with blue and pink rosettes. Her headpiece was of pink roses.

The ring-bearer, Richard Adams, cousin of the bride, wore a white jacket with dark trousers and carried the ring on a satin pillow.

200 Guests At Reception
A reception, attended by more than 200 guests, was held at the Dunlap hotel, from 3 to 5 p.m. For receiving the guests, the bride's

mother wore an afternoon dress of gray faille, with black accessories. The bridegroom's mother chose a dress of brown crepe with matching accessories. Their corsages were of tea roses, centered with gardenias.

The guests were registered by Miss Jackie Pennell. Assisting with the serving were Mrs. Guy Symmonds, Mrs. Carthel Birdsong, Mrs. Marian May and Mrs. Bus Eote.

After the reception, the couple left on a wedding trip through the South. As her going-away ensemble, the bride chose a suit of gray gabardine, with which she wore black accessories and the orchid she carried at her wedding.

The couple will return to this city for a few days visit before going on to Waco, Texas, where they will make their home.

Mrs. Birdsong, a 1947 graduate of Jacksonville High school, attended the Ray Vogue school in Chicago, where she studied window display. Her husband was also graduated from Jacksonville High school and served in the U. S. Navy for 18 months, most of which time was spent overseas.

List Auto Dealer's Assets At \$25,179

Springfield, Ill., Oct. 18 — (AP) — Bank deposits and cash totaling only \$25,179 were listed today in a partial report of assets filed by a receiver in involuntary bankruptcy proceedings against Arthur F. Kramer, Jerseyville automobile dealer.

The schedule, submitted in federal court, showed \$1,500,000 in notes signed by Robert L. Knetzer, Edwardsville auto salesman also named in bankruptcy action.

There was no mention of \$1,000,000 which Kramer listed in a voluntary bankruptcy petition as due him on open account from Knetzer. Kramer previously reported his liabilities were \$2,387,065 as against assets of \$2,533,402, of which \$24,502 represented deposits in the State Bank of Jerseyville.

Charged With Conspiracy
Creditors claim they deposited money with Kramer and Knetzer for new model cars but did not get them or their refunds. The two car dealers have been charged with conspiracy to defraud and obtaining money under false pretenses.

I. H. Streep of Alton, receiver in the involuntary proceedings, said Kramer apparently had assets in addition to those reflected in today's schedule.

Streep said he was unable to determine their extent because of "the refusal of the bankrupt to cooperate or assist the receiver." He said repeated efforts to contact Kramer through his attorney had failed.

Two Parcels of Land
Other assets listed by Streep were two parcels of Jersey county real estate with no cash value assigned, 12 Chevrolet automobiles, farm and household equipment, 17 car radios, 16 heaters and other auto accessories, and \$20,760 in undeposited checks and checks on which the bank unsuccessfully sought to collect.

In addition, the receiver showed \$9,991 in certificates of deposit held by the bank payable to its own order, and about \$375,000 in receipts for cars delivered, car deposits refunded and other sums that passed through Kramer's hands in connection with his business operations.

Attorneys have said they may claim as assets any automobiles delivered or deposits refunded within four months prior to the final date either Kramer or Knetzer is declared bankrupt. The federal court would have to pass on the claim first.

Mrs. Anna Ragan Of Concord Dies Monday Morning

Mrs. Anna Ragan, well-known resident of the Concord community, died early Monday morning at her home, one mile east of Concord, following an extended illness. She had resided in that community since moving there from Tennessee in 1900.

Mrs. Ragan, the former Margaret Anna Hawn, was born Aug. 19, 1874, near Knoxville, Tenn., the daughter of Elisha and Berthena Reid Hawn.

**Jacksonville Area
Has Coldest Day
Of Autumn Season**
The temperature dropped to 22 degrees early Monday morning, bringing to the Jacksonville area the coldest day this fall.
The majority of early risers figured it was about freezing. The government thermometer at the Norbury Sanatorium showed, however, that they missed their guess.
At Springfield the weather bureau clocked the temperature at 24 degrees.
The cold weather began moving in early Sunday morning when it got down to 32 degrees.
Despite the freezing weather much vegetation in this area remains green. Trees are still covered with leaves, having escaped killing frosts before the zero weather. The coming week is expected to bring rapid change in the scene after leaves and grass have felt the sting of the season's first freeze.

Spotts To Play Friday Against Carlinville

There aren't as many injuries in Jacksonville's three football camps as coaches had feared just 24 hours ago.

Coach Bob Kraushaar's Crimson are by far the hardest hit, and they breathed a bit easier Monday when they were told that Stan Spotts will be back in shape for the Carlinville game Friday night.

Encouraging Reports

Illinois School for the Deaf and Illinois college both reported that the entire squad should be in top form for weekend combats.

Although Kraushaar will have the services of Spotts, his one veteran and sparkplug of this year's team, he has plenty of boys on the shelf. Charlie Runkel and Andy Petko are both out for the week, Runkel with a bum ankle and Petko with a broken nose. Bob Fanning, regular center, and Fred Lawson, starting end, are question marks and may remain so until Thursday. Numerous other J.H.S. gridders are nursing bumps and bruises of various natures. Jording, a lineman, will be back after a few weeks of inactivity.

Coach Al Miller of I.C. was a bit worried about his fastest runner, Art Wilson, but the Quincy speedster was ready to Monday evening.

Best Shape This Year

The Blueboys will probably be in

better shape for Wesleyan than for any other opponent this season.

Coach Art Yates of I.S.D. reports that his squad still has not suffered any serious mishaps.

Yates was a bit worried about the tackling of his charges about Wisconsin Saturday. Some of the club worked on the tackling dummy Monday afternoon. The backfield went through some exercises. Generally, the team was taking it easy.

Yates announced that the Kincaid game this week, originally scheduled for Saturday, will be shifted to Friday afternoon because of the conflict with the I.C. homecoming tilt. The time has not yet been definitely arranged.

Light Equipment

I.C. players reported Monday evening in light equipment. However, Coach Miller called for scrimmage sessions on Tuesday, Wednesday and Thursday. Light exercise will wind up practice Friday afternoon.

"Wesleyan will take the air Saturday," Miller told his charges, all of whom have seen the Titans perform. He began work against the Wesleyan offense and concentrated on the pass system of the Bloomington outfit.

The I.C. mentor complimented his charges upon their performance against Eureka.

Coads kept several of the gridders in street clothes.

Only a small turnout was on hand at J.H.S. There was no school Monday, accounting for some of the absences. Many, however, were on the injury list.

Coach Kraushaar criticized mainly blocking and tackling. He contended that the line was raising both on offense and defense. He also found fault with the play calling.

Attendance Falls In Senior Loop During 1948

New York, Oct. 18.—(P)—The National league played before 9,822,502 baseball fans during the 1948 season, a decrease of 5 per cent from last year's high according to unofficial figures compiled by the Associated Press.

Bill Meyer's Pittsburgh Pirates, a surprise contender until the final weeks of the season, packed 1,517,490 into Forbes Field, cracking by 233,859 the park's record set last year.

The Boston Braves winning their first pennant since 1914, also broke their own mark with 1,455,538. That was 178,077 better than the 1947 record.

All six remaining teams fell off at the gate in amounts ranging from 406,967 at Brooklyn to 70,592 at Cincinnati.

The St. Louis Cardinals couldn't quite match their high of 1947 but they still topped the million with 1,113,490, a decrease of 134,423.

Even with a last place team, the Chicago Cubs attracted 1,241,012, a drop of only 123,027.

The Phillies, like Cincinnati, failed to draw a million customers.

New York Stock Market

New York, Oct. 18.—(P)—Steels and oils led a generally higher movement in the stock market today as the volume of trading expanded to around 1,000,000 for the day.

Advances were in fractions to about a point at the high tide of the movement, but some of the leaders edged downward in late trading.

In the van were U. S. Steel and Standard Oil (N.J.). New highs for the year were reached by National Steel, Bethlehem Steel and Jones & Laughlin.

Rails were slow in starting but finally edged into higher ground by fractions to as much as a point. Utilities remained steady most of the day in a narrow range. Motors tipped down.

Stocks higher included Nickel Plate, Northern Pacific, Pacific Western Oil, Phelps Dodge, Westinghouse, Eastman Kodak, Douglas Aircraft, Oliver Corp., Caterpillar Tractor, Woolworth and Goodrich.

Illinois Regains Normal Strength For Purdue Game

Champaign, Ill., Oct. 18.—(P)—Illinois will be in near top shape physically for the Purdue football game Saturday.

Three players suffered minor injuries against Minnesota. End Tony Klimek lost several teeth. End Jim Vlek gashed his hand and Tackle Dick Mueller bruised his hip.

Halfback Jack Pierce, Center, Lou Levanti, and Linemen Chuck Gottfried, Bob Prymiski and Paul Douglas have recovered from injuries and will be ready for Purdue.

Ann Arbor, Mich., Oct. 18.—(P)—The Michigan Wolverines, brushing aside the usual day of rest, Monday began preparing for their clash with Minnesota at Minneapolis next Saturday.

Coach Bennie Oosterbaan reviewed the 28-0 victory over Northwestern, ran off movies and then led his charges onto the field to start practice.

Bloomington, Ind., Oct. 18.—(P)—Indiana University's footballers were given a rest Monday after a drill of only an hour. Before being dismissed for the day the Hoosiers worked on passing plays and pass defense—a couple of items that displeased the coaching staff in Saturday's 17-0 defeat by Ohio State.

Joe and Walter Bartkiewicz, regular right guard and right end, missed the practice because of sprained ankles.

Lafayette, Ind., Oct. 18.—(P)—Purdue's football squad had little chance to celebrate its first football victory of the season over Iowa—Coach Stu Holcomb sent the boys right back to work Monday to get ready for the tilt with Illinois at Champaign next Saturday.

Holcomb had Kenneth McCaffrey, 169-pound draftee from last year's "B" squad at the right end spot. He filled in for the injured Clyde Grimsenstein and Bob Whitmer.

Evanston, Ill., Oct. 18.—(P)—Three first string Northwestern football players were on the casualty list Monday after the Wildcats' bruising 28-0 loss to Michigan.

Guard Patso Day suffered a shoulder separation and will definitely miss the intersectional clash with Syracuse Saturday. End Chuck Hagmann has a severely bruised shoulder and halfback Tom Worthington is nursing a leg hurt.

Minneapolis, Oct. 18.—(P)—The largest crowd ever to watch a Minnesota home football game will be in the stands when the Gophers meet Michigan here on Saturday.

Marsh Ryman, university ticket manager, said Stadium facilities had been expanded to accommodate 64,000 spectators. He added that all tickets have been sold.

Coach Bernie Bierman, acting on performances Saturday when the Gophers squeezed through to a 6-0 victory over Illinois, shifted Frank Kuzma into the varsity fullback spot and sent John Lundin into the right guard position in place of Dean Widseth.

Columbus, Ohio, Oct. 18.—(P)—The "Goodbye Harry" banner at the Yale-Wisconsin game Saturday may mean trouble for Ohio State next Saturday. Buckeye grid officials indicated Monday.

"I definitely wish it hadn't happened," said Coach Wesley Fesler. The Buckeyes held no practice Monday.

Iowa City, Iowa, Oct. 18.—(P)—The University of Iowa strove to fit plugs in a leaky pass defense Monday during a light football workout.

Five passes by Purdue's Bob De Moss gained 139 yards and one touchdown. Backfield Coach Frank Cardozo said he seeks to prevent a similar show by Notre Dame's Frank Tripucka here this Saturday.

The Hawkeyes came through the bruising battle with Purdue with no losses or major injuries.

South Bend, Ind., Oct. 18.—(P)—All Notre Dame varsity squad members and reserves were excused from practice Monday by Coach Frank Leahy.

On the injury list from Saturday's victory over Nebraska were left halfback Terry Brennan, torn hip muscle; quarterback Frank Tripucka, slightly sprained right ankle; left end Jim Martin, bruised right leg; fullback John Panelli, bruised back, and reserve end Bill Flynn, wrenched right knee.

Elgin, Ill., Oct. 18.—(P)—Joseph (Joe) Foley, 57, former sports editor of the Chicago Times and old Chicago Journal, died today following an extended illness.

Foley came to Chicago in 1915 from his native Louisville, Ky., where he worked on the Evening Post sports staff. He was the first sports editor of the Chicago Times which since merged with the Chicago Sun.

In his youth, Foley played professional baseball and a spine injury suffered when he was struck by a batted ball in 1911 was believed by doctors to have caused his later illness and blindness.

ELEVEN BURNED Tokyo, Oct. 18.—(P)—Belated reports from Hokkaido today said one American airman was burned severely and 10 others slightly Saturday night when a \$20,000 fire swept Chitose Airbase.

Names of the victims were withheld by the far eastern Airforce.

Coach Tells Wesleyan Team Blueboys Are Big Hurdle

Bloomington—(Special)—Illinois Wesleyan university gridders, who have been inclined earlier in the season to take their approaching battle with the Illinois college Blueboys lightly, buckled down in rehearsal this week with the knowledge that they were preparing for what may well be their toughest CCI game of the year.

Coaches Bob Morrow and Libero Bertagnoli of the Titans returned from the I. C. Eureka contest in Jacksonville with glowing reports of the Blueboys' ability. They also brought a precise scouting report on their next opponents. During Monday afternoon's drills they pulled out the blackboard to give their squad the dope on the intricacies of the Illinois college attack.

"We're in for it," Morrow, former Chicago Cardinal and Giant, told the Titans: "We have never seen an Illinois college team with the spirit of these 1948 Blueboys, and they were always tough for us when I was in college. You know, they just seem to live at I. C. for the Wesleyan game."

"Our only chance is to turn in a game like we did against Wheaton. No mediocre performance will suffice. It will take the best to beat Ole Illinois. They are tough. They are fast. And they've got more spirit than any team I have ever seen there."

"We'll have to improve tremendously this week or it is all over."

"Al Miller is a sound football man and his boys know fundamentals."

Springfield, Ill., Oct. 18.—(P)—A quarterback with a broken finger on his tossing hand engineered one of the standout passing feats in weekend prep football activity on downstate gridirons.

Johnny Boyle of Decatur hurled four touchdown passes in the Red's 65-6 rout of Urbana. His scoring tosses covered a distance of 196 yards.

On the receiving end were Fullback Doug Muth, End Jack Toth, Halfback Dick Halliburton and End Bill Sears. Halliburton crosses the goal a total of four times—once after intercepting an Urbana pass at the midline.

Other Top Scorers Among other four-time goal scorers were Willie Rollins of Monmouth and Paul Hewitt of Farmington.

Rollins accounted for all but two of Monmouth's six touchdowns and counted three conversions as the Zippers downed Keokuk, Ia., 39-6. The 27 points brought Rollins' five game total to an even 100.

Fullback Hewitt made all of Farmington's touchdowns in a 26-0 triumph over Lewistown. Hewitt now has 90 points, just one less than Carbondale Halfback Johnny Reno who led the field a week ago.

Reno bagged 13 tallies by carrying the ball over for two touchdowns and adding an extra point in Carbondale's 19-6 win over Pinckneyville.

Other top individual performances: Springfield Victory Fullback Jim Duda heaved the payoff aerial that gave Springfield a 7-0 victory over Peoria Central. It was the only loss of seven Springfield tried that connected. Duda hit on an 11 yard effort to Quarterback Bob Slack.

When Mattoon hung a 26-16 setback on Danville, Halfback Bill Tate of the winners logged the leather 22 times for a total of 172 yards. He completed five of seven pass attempts for 90 yards, kicked two extra points, and when Mattoon was behind 19-14 in the second half, scored the two winning touchdowns.

Fullback Fritz Ridenour and Halfback Paul Vonke scored three touchdowns within 10 minutes in the third period to give Zion-Benton a 19-9 win over Woodstock. Ridenour made two goals—one on a 40 yard run after intercepting a Woodstock aerial by Quarterback John Polizzi.

Fumble Leads To Loss Preceptor's Fullback Jim Green's recovery of a fumble by Bob Bogdonas of East Rockford won the game for the Pretzels, 6-0. Green bounced on the fumble on Rockford's 15 and then plunged to pay dirt after nailing a pass from Quarterback Dick Staats.

Captain Dave Cohrs was the leading ground gainer for Mooseheart as they overwhelmed Marmion of Aurora, 36-0. Halfback Cohrs totaled 159 yards in 13 attempts. He also scored three touchdowns.

Paris, Oct. 18.—(P)—Poland's Dr. Juliusz Katz-Suchy said today "we have already been on the brink of atomic war" once since the defeat of Germany and Japan.

He said this was on Sept. 19, 1946, during the United States-Yugoslav crisis over the shooting down of two U.S. planes over Yugoslavia.

Only a "veto by the United States secretary of war" saved the situation, the Polish delegate told the assembly political committee.

Katz-Suchy said a "group of United States army leaders" had wanted to use the bomb and establish bases in Germany "at the time of the so-called Tito crisis."

Only a "veto by the United States secretary of war" saved the situation, the Polish delegate told the assembly political committee.

Katz-Suchy said a "group of United States army leaders" had wanted to use the bomb and establish bases in Germany "at the time of the so-called Tito crisis."

He said this was on Sept. 19, 1946, during the United States-Yugoslav crisis over the shooting down of two U.S. planes over Yugoslavia.

Their offense has deception and they are mentally alert.

"I won't sleep a minute next week. We'll try anything. This is the game we have to win if we are to ever think about a championship this fall."

"I didn't realize a team could come so far in one short season, but that is the spirit and these Blueboys have it in great gods."

"Art Wilson is by far the fastest back in the CCI. He is the lad we must stop if we are to have anything to say about the CCI title."

"The Titans have not been pre-tentious in their last two starts and there are those that say their gill-edge showing against Wheaton was only a flash in the pan."

When Coach Miller talked to the Wesleyan scouts after Friday night's Eureka triumph, he was moaning in no uncertain terms. "We're hurt, we're hurt," he cried. Morrow, Bertagnoli and "Brick" Young just smiled. They've seen Illinois college players.

Springfield, Ill., Oct. 18.—(P)—A quarterback with a broken finger on his tossing hand engineered one of the standout passing feats in weekend prep football activity on downstate gridirons.

Johnny Boyle of Decatur hurled four touchdown passes in the Red's 65-6 rout of Urbana. His scoring tosses covered a distance of 196 yards.

On the receiving end were Fullback Doug Muth, End Jack Toth, Halfback Dick Halliburton and End Bill Sears. Halliburton crosses the goal a total of four times—once after intercepting an Urbana pass at the midline.

Other Top Scorers Among other four-time goal scorers were Willie Rollins of Monmouth and Paul Hewitt of Farmington.

Rollins accounted for all but two of Monmouth's six touchdowns and counted three conversions as the Zippers downed Keokuk, Ia., 39-6. The 27 points brought Rollins' five game total to an even 100.

Fullback Hewitt made all of Farmington's touchdowns in a 26-0 triumph over Lewistown. Hewitt now has 90 points, just one less than Carbondale Halfback Johnny Reno who led the field a week ago.

Reno bagged 13 tallies by carrying the ball over for two touchdowns and adding an extra point in Carbondale's 19-6 win over Pinckneyville.

Other top individual performances: Springfield Victory Fullback Jim Duda heaved the payoff aerial that gave Springfield a 7-0 victory over Peoria Central. It was the only loss of seven Springfield tried that connected. Duda hit on an 11 yard effort to Quarterback Bob Slack.

When Mattoon hung a 26-16 setback on Danville, Halfback Bill Tate of the winners logged the leather 22 times for a total of 172 yards. He completed five of seven pass attempts for 90 yards, kicked two extra points, and when Mattoon was behind 19-14 in the second half, scored the two winning touchdowns.

Fullback Fritz Ridenour and Halfback Paul Vonke scored three touchdowns within 10 minutes in the third period to give Zion-Benton a 19-9 win over Woodstock. Ridenour made two goals—one on a 40 yard run after intercepting a Woodstock aerial by Quarterback John Polizzi.

Fumble Leads To Loss Preceptor's Fullback Jim Green's recovery of a fumble by Bob Bogdonas of East Rockford won the game for the Pretzels, 6-0. Green bounced on the fumble on Rockford's 15 and then plunged to pay dirt after nailing a pass from Quarterback Dick Staats.

Captain Dave Cohrs was the leading ground gainer for Mooseheart as they overwhelmed Marmion of Aurora, 36-0. Halfback Cohrs totaled 159 yards in 13 attempts. He also scored three touchdowns.

Paris, Oct. 18.—(P)—Poland's Dr. Juliusz Katz-Suchy said today "we have already been on the brink of atomic war" once since the defeat of Germany and Japan.

He said this was on Sept. 19, 1946, during the United States-Yugoslav crisis over the shooting down of two U.S. planes over Yugoslavia.

Only a "veto by the United States secretary of war" saved the situation, the Polish delegate told the assembly political committee.

Cards Beat Giants 63-35 To Set New NFL Scoring Mark

New York, Oct. 18.—(P)—The fight for sectional honors in the National Football League and in the western Conference is growing more tense with the passage of each game.

In the National League the Chicago Bears pace the western division by one game while the Philadelphia Eagles lead the eastern half by only a half a game.

The San Francisco 49ers, riding the crest of an eight-game winning streak, enjoy only a half game lead over Cleveland in the all-America's western division race. In the eastern division, the Baltimore Colts are two games in front of the runner-up New York Yankees and Buffalo Bills.

The Bears crushed the Detroit Lions, 28-0, yesterday to stay in front of the defending champion Chicago Cardinals. The Cards ripped the New York Giants, 63-35, in the highest scoring game in NFL history.

Philadelphia, defending eastern kings, trampled the Washington Redskins, 45-0, to gain sole possession of first place from the Skins and Pittsburgh Steelers. The Steelers were beaten, 13-7, by the Boston Yanks and now are tied with Washington for second place a half game behind the Eagles. In the other National League game the Green Bay Packers blanked the Los Angeles Rams, 16-0.

The 49ers, sparked by Frankie Albert, turned back the Yanks, 21-7, to keep their record clean. The defending champs, the Cleveland Browns, remained hard on the 49ers heels by thumping the Buffalo Bills, 31-14, for their seventh victory without a loss.

Sid Luckman's six-yard touchdown pass in the first period was all the Bears needed to down the hapless Lions who now have lost four straight. The triumph was the Bears' fourth in as many starts. They are the only unbeaten team in the National League.

The Card-Giant touchdown parade, which totaled 98 points, broke the league record of 87 points tallied on Sept. 28, 1947 when the Eagles turned back Washington, 45-42. The two teams also made a total of 49 first downs to create a new mark for most first downs in one game by both teams.

Harder Boosts Nine Pat Harder of the Cards set an individual mark by booting nine conversions. The old mark of eight was held by Bob Snyder of the Bears.

Ray Malouf pitched four touchdown passes to spark the Red Bird attack before 35,342 fans at New York. Charley Conner figured in all of the Cards' scoring. Conner threw four touchdown passes and scored another on the ground.

Pass defense played a big part in Green Bay's victory over Los Angeles. The Packers intercepted seven of Bob Waterfield's passes to halt a couple of Ram scoring threats. The Packers scored with a minute left in the first period and early in the second.

Jerseyville Will Send Rooters To Pittsfield Game

Jerseyville—A large number of Jerseyville football fans are planning to motor to Pittsfield Friday evening to attend the crucial conference game in that city between the Jersey Panthers and the Pittsfield eleven.

The system of play of both the Panthers and Pittsfield has been studied and both teams are undergoing special training during the current week to offset the best they may have to offer.

The Panthers won over Winchester here Friday night by a 20 to 6 score, but the game was far from being as easy as the count indicates. The Winchester team put up a fight all the way to the final seconds of play.

GRAPES IN THE ARTIC
 Stockholm — (P) — Grapes are growing in "The Land of the Midnight Sun." In Kiruna, in northern Sweden, 120 miles north of the Arctic circle and 16,400 feet above the sea, gardener Einar Eng has been able to keep seven grapevines from freezing to death.
 Every year Eng, who is a gardener for the big Kirunavaara—Luossavaara mining company, can pick nearly 700 pounds of grapes from his little hothouse vineyard. Because of the intense sunshine during the short northern summer, the "artic" grapes are reportedly better-tasting than those cultivated in southern Sweden.

The Loves of Carmen
 By SOPHIE KERR
 Copyright, 1948, MEA SERVICE, INC.
 THE STORY: Don Jose, young officer in a fashionable Spanish regiment, falls victim to the charms of the bewitching gypsy, Carmen. He kills his commanding officer in a sword-fight over her and is forced to flee to a mountain hide-out, where he joins the band of gypsy rogues who are Carmen's associates. Jose's last illusion is shattered when he learns that Garcia, the leader, is Carmen's husband. Riding through the mountain fastnesses, the band is attacked by uniformed constabulary. They take to cover as shooting starts.
 XIX
 CARMEN crawled over beside Jose, her eyes shining with excitement. He reached out and pulled her closer under the protection of the rock and himself, angry because of his fear for her. "Keep down, you little fool!" "When I am killed it won't be by a stranger, Don Jose. That much I know." Carmen's tone was flip.
 He turned back to the fight, and as fast as he fired Carmen reloaded his pistols. Once she tugged at his sleeve and pointed at Garcia's back twenty yards away. He looked at her blankly. "Carmen was blind and wide-eyed, saying, 'If Garcia got himself killed, we couldn't help that, could we?'" "I hate him. But I shoot no comrade in the back." Carmen was first amazed, then angrily scornful. "You're a weakling," she said. "Always afraid of being dishonorable. You are like the dwarf who believed himself tall because he could spit so far."
 Jose ignored her. She went back to loading the guns, sulky, pouting.
 A shout went up from the constabulary. "The sergeant's been killed." The information was relayed, disastrously. The soldiers began to withdraw as best they could and Garcia called to his men to get out fast. They ran to the horses, Carmen at Don Jose's side. Only Remondado could not run.
 He lay against a rock, wounded and helpless. He tried to rise but his legs would not support him. Don Jose knelt at his side. "Wait here," he said. "I'll bring your mule to you."
 Garcia stopped him, glancing with annoyance at Remondado. "Let's go, Jose."
 Jose remonstrated. "You don't understand. Remondado isn't dead—he's only hurt."
 Garcia's expression changed. "He's still alive! I didn't know that." He came over beside Remondado. "Well, we can't leave him here—that's for sure."
 Don Jose nodded and went toward the horses but he was caught up by Garcia's continued speech. "—to be recognized as one of our band."
 Jose screamed Garcia's name as the leader raised his gun and fired it point blank into Remondado's face. Garcia put his gun away, coolly, saying, "It would take a smart man to recognize him now."
 Jose was stunned with horror at the brutality. He looked toward Garcia, then back to Remondado and his expression changed to sick incredulity when he saw Carmen carefully but deliberately removing the brace of chickens Remondado had been holding in his hand. "There was nothing to do but go with the others."
 THE bandits, Don Jose as much one of them now as any of the others, huddled around the fire in a temporary hiding place. Great jagged rocks stood on end protecting the fire and the men around it. Pablo greedily counted his share of the tobacco money which Garcia had just portioned out to him. Dancaire was quietly absorbed in his habitual game of solitaire. Don Jose sat apart, working on a piece of saddle leather with a knife. Carmen's voice was heard in the darkness, singing a gay, carefree gypsy tune. Garcia handed Dancaire his share of the money and walked over to Don Jose. He shook his head delightedly. "That girl is crazy, taking a bath in that ice water! Listen to her." Then he paused, squinting down at Don Jose, who looked off in the direction of the voice, a closed, haunted look on his face. Garcia spoke again, this time in a soft, insinuating way. "I didn't say look at her—I said listen to her."
 Startled out of his reverie, Don Jose turned on the big man furiously. "I can't see her from here."
 "You can see her in your imagination," Garcia taunted him. "And that is what you are doing, seeing her in your mind. I can tell from your face."
 Don Jose cut savagely at the leather in his hand.
 Garcia laughed and offered the bundle of money, saying in mock sympathy, "I'm afraid you will have to be content with just sharing my money with me, Navarro."
 Don Jose looked up at him, his eyes sick with loathing and contempt. "I have no wish to share anything with you, Garcia." He went back to his work. "Keep your dirty money."
 Garcia straightened slowly and stuffed the money into his pocket, grunting. "He doesn't want my money. Just what did you have in mind, Navarro, that you do want in payment for the work you do here? Is there anything else that belongs to me that you were thinking about?"
 Jose replied in a voice biting with insult, "Anything that belongs to you would be as dirty and evil as you are, Garcia. No one would want it."
 Garcia exploded with loud laughter. "I'll tell her, man!" he shouted as he walked away. "I'll tell her!" Half way to the fire he turned and said, still hugely amused, "But watch yourself. She'll probably carve out your white liver and serve it to me for breakfast."
 "Are you such a coward you have to get a woman to do your carving for you, Garcia?" Don Jose flung at him.
 Garcia's eyes glistened. "Coward?" he rasped.

Three Killed Monday In Texas City Blast

Texas City, Tex., Oct. 18.—(AP)—At least three persons were killed and more than 20 injured in a blast that rocked Texas City tonight.

None of the dead was identified. The bodies were found at a railroad crossing at the entrance of the Stone Oil Company tank farm. The explosion occurred about 8:15 p.m. Telephone services to Texas City were restricted to emergency calls only, and details were not immediately available.

One report was that a gas line at either the Stone or Republic refinery broke and spewed vaporized gas about 200 feet along the Galveston-Texas City highway.

Something touched off the gas and between 20 and 25 cars which had been stalled on the highway by a switch engine caught fire, it was reported.

Two more big explosions followed. The injured were taken to Danforth hospital here for first-aid treatment. Others were sent to nearby Galveston.

There was no indication the blast bore any resemblance to the great disaster in April, 1947, in which a French freighter exploded, killing 500 and injuring 3,000 others.

At Danforth hospital, an attendant said an estimate of between 15 and 20 injuries was "mighty low."

"They were coming and going pretty fast," he said. He wouldn't give his name.

The Galveston Red Cross already had sent a large supply of blood plasma to Danforth hospital. Authorities there said no other medical supplies were needed.

Doctors from Galveston and nearby Lamarque were lending assistance.

All Texas City firemen and police were pressed into service.
